Hi Guys,

My school is hosting the 3rd annual Gladiator Challenge--essentially a mud run for kids, on November 7th. For some reason registrations are really down this year. We missed getting our flyers into bags at the YTS race, so I think that may be part of the problem.

I am just e mailing to see if any of you have any ideas about a good way to get the word out and the registration numbers up. I attached the flyer if more details will help.

Thanks!

Amy
