

# 2017 Florida State Cross Country Invitational

Collegiate, High School & Middle School Races

Friday-Saturday, October 6-7  
at Apalachee Regional Park

## FSU Invitational brings best to ARP championship course

The FSU Invitational continues to evolve and thanks to the guidance and direction of Visit Tallahassee, the 2017 meet will be the biggest ever, barring unforeseen circumstances. The schedule remains unchanged from last year's planned slate, with two Friday, Oct. 6 middle school followed by the junior varsity boys and girls races.

The Saturday (Oct. 7) schedule remains the same, with an eight-race slate. For those high schools with large enough squads, we are offering the option of registering a B team at the same cost as a single team. B teams will not be seeded in the same race as a school's A team.

The expanded awards include shirts for top 10 junior varsity and middle school race finishers, as well as winning team trophies in both of those divisions as well.

Payment for all high school and middle school races will be routed through **Visit Tallahassee**, and all checks must be made out to **Board of County Commissioners, Leon County**.

High schools and middle schools can access a W-9 form via [fl.milesplit.com](http://fl.milesplit.com).

With the FHSAA State Cross Country Championships returning to Apalachee Regional Park, the high school meet will serve as a preview meet once again.

Florida State University has been

awarded the 2021 NCAA Division I Cross Country Championships, as well as the 2018 and 2020 NCAA South Region Championships, making the ARP one of the nation's destination courses.
